

# Cool, Cool Summer

By Jamie Owens Collins

Oh, oh, oh (three times)

## **Chorus:**

**It's gonna be a cool, cool summer,  
Learning to trust in Jesus.  
A cool, cool summer,  
He gives us all we need.  
Come with me, you're gonna see,  
It's gonna be a cool, cool summer.**

Oh, oh, oh (three times)

Come to the place where the sun never sets  
And the eagles fly, touch the sky.  
Glaciers and lakes, such a beautiful trek,  
Through the mountains high, touch the sky.  
There are challenges along the way,  
But Jesus is with us.  
We can trust Him every step of the way,  
'Cause Jesus will lead us.

## **Repeat chorus**

True peace, true power,  
True riches, true love!  
True hope in Jesus,  
He provides more than enough.

**It's gonna be a cool, cool summer,  
Learning to trust in Jesus.**

**A cool, cool summer,  
He gives us all we need.**

**It's gonna be a cool, cool summer,  
Learning to trust in Jesus.**

**A cool, cool summer,  
He gives us all we need.**

**Come with me, you're gonna see,  
It's gonna be a cool, cool summer.  
Come with me, you're gonna see,  
It's gonna be a cool, cool summer.**

Oh, oh, oh (three times)
