

It Is Written

By Jamie Owens Collins

When Jesus faced the devil
and was tempted to sin,
He said,
"It is written, so get out and stay out!"
When I face temptation,
I will say just like Him,
"It is written, it is written,
God makes a way out!"
Oh, oh, oh, I can do what's right.
When I'm tempted, I say,

Chorus:

**It is written, it is written in God's Word.
I will hide it in my heart.
It is written, it is written in God's Word.
God gives me the power, the power to
do what's right.**

When you face temptation and you're
tempted to sin,
Remember it is written,
God makes a way out.
He is always faithful, you can trust in Him.
It is written, it is written,
God makes a way out.
Oh, oh, oh, you can do what's right.
When you're tempted, you say,

Chorus:

**It is written, it is written in God's Word.
I will hide it in my heart.
It is written, it is written in God's Word.
God gives me the power, the power.
It is written, it is written in God's Word.
I will hide it in my heart.
It is written, it is written in God's Word.
God gives me the power, the power to
do what's right.**
